

PLEASE supervise children if they are accessing the internet <https://www.childnet.com/parents-and-carers/hot-topics/keeping-young-children-safe-online>

Rainbow Crafts:

Mixing Colours: Can we experiment with different colours and see what happens when we mix them together?

<https://www.fantasticfunandlearning.com/fun-ideas-for-mixing-colors.html>

Colour Hunt: The book is full of beautiful colours. Use the attached sheet to do a colour hunt around your home. Can you find something that matches every colour?

Using different materials can you make your own Owl from the story:

Wow said the owl

Day and Night:

Have a little think about the difference between day and night, does the sky look the same in the day and night. When do we sleep? Can you see stars in the day? Have a think about your routine and the of things you do when it's light in the day, and things you might do when it gets dark.
