

Butler's Hill End Goals – Religious Education

End Goals

EYFS

In Religious Education lessons pupils will encounter religions and worldviews through special people, books, times, places and objects and by visiting places of worship. They will listen to and talk about stories. Pupils will be introduced to subject specific words and use all their senses to explore beliefs, practices and forms of expression. They will ask questions and reflect on their own feelings and experiences. They will use their imagination and curiosity to develop their appreciation of and wonder at the world in which they live.

KSI

The focus of Religious Education in KSI is for children to develop their knowledge and understanding of religions and worldviews. They will find out about simple examples of religion that are drawn from local, national and global contexts. They will be exposed to subject specific vocabulary for each topic. They should raise questions and begin to express their own views in response to the material they learn about using story, music, drama, activity, teamwork, thinking structures and language work to enable deepening engagement from every child.
