### Core 'read aloud' stories and non-fiction

Use 'Choosing books' (above) as a guide.

- Identify a core set of stories for each year group.
- Consider a range of stories set in the UK and around the world, both traditional and modern, as well as non-fiction.
- Refresh the list regularly, at least once a year, as new books are published, and new teachers arrive, to avoid its being set in stone.
- Encourage teachers to familiarise themselves with the stories their class will know from previous years.
- Supplement the core 'read aloud' stories with others of the teacher's choice.
- Consider sharing the list with parents, and explaining its purpose, so they could buy or borrow the books.
