

ICT:

We will be exploring Purple Mash Website

- Online safety
- Creating an avatar
- 2count (pictograms)
- 2explore (music)
- Grouping and sorting on 2quiz

PE: Gymnastics

We will be...

Learning to travel in different ways using different parts of our bodies. We will be creating shapes using balances and trying out different rolls to create a sequence.

Music:

We will be learning about...

Pitch – high and low

Dynamics – loud and quiet

Duration – long and short

Tempo – fast and slow

Timbre – each instrument produces a different sound

Texture – What instruments are played together – using our own instruments.

SCIENCE: Materials

We will be...

- Identifying the properties of different materials
- Sorting materials
- Experimenting with how we can change the shapes of materials
- Finding out why we choose certain materials for a specific job

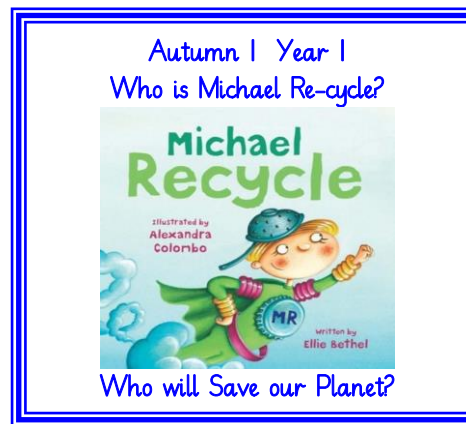

DT: Making instruments from junk materials

We will be...

- Planning and designing our own instruments
- Improving and developing our fine motor skills through cutting activities
- Practicing joining techniques on different materials
- Reviewing our own work and other peoples learning how to recycle newspaper to make new plain paper

RE: Symbols in Religious Worship

- In what ways are churches (Christianity) and synagogues (Judaism) important to believers
- Learn about what happens at a church and special events that take place e.g. weddings
- Learn about different symbols and their meanings

PSHE: New Beginnings

We will be learning...

- What makes a happy safe class and school
- Class rules
- Voting for a School Counsellor
- School Value: Fairness
- British Value: Democracy / Rule of Law

Learning Outside the Classroom / Enrichment

Trip to Mansfield Museum:

- Making bird boxes from recycled materials
- Sorting recycled materials
- Learning about reducing, reusing and recycling
- Art immersing day / Environmental geography
