

PE: Striking and Fielding Games

To learn and play simple team games
To devise their own games
To use agility, balance and co-ordination to kick, throw and catch various equipment.

DANCE COACH: Fridays

RE: Christianity/ Judaism

Theme: Myself and caring for others.
Focus: Christian stories and Judaism stories from the Old Testament.

History: World War 2

Through our literacy work we will be...

- Making a timeline
- Finding out about different aspects of the life of children in WWII including evacuation, Anderson shelters, food rationing and growing food.
- Celebrating a VE party of our own!

Science/ DT:

We will be...

- Linking science with the 'dig for victory' and rationing aspect of our topic by learning about staying healthy
- Finding out what makes a balanced meal
- Creating a balanced, healthy meal
- To make a wartime meal and sandwich

Children of World War II

ICT:

- Using spreadsheets – analysing and creating spreadsheets with data
- Using technology appropriately and safely outside school

Art:

- Observational drawing – looking at the work of Tobias Harrison.

Science

A look at the changes in the season and what happens in spring.

SEAL: Relationships

Know which people are important to them and who will help them
To share their opinions with others

Music

We will be...

- Learning popular songs from WW2
Music Express Topic: Weather and seasons

School / British Value: Compassion

We will be thinking about accepting others from different places both at home and around the world (evacuees and refugees)

Global Dimension: Conflict Resolution

Understanding the nature of conflicts and the impact on the people involved.

Visits / Dates

VE PARTY DAY!
