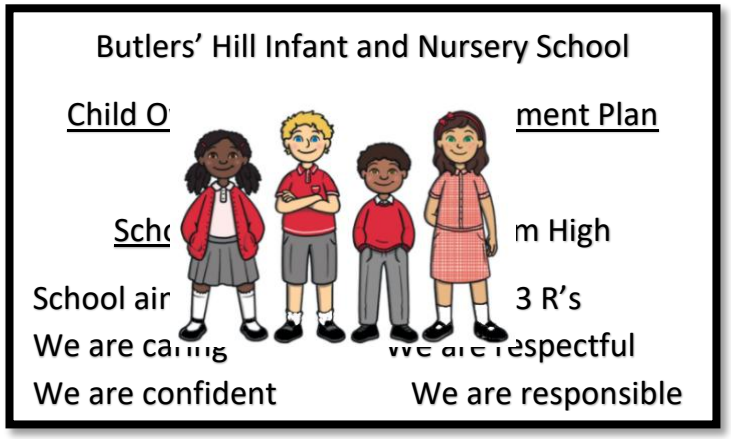
Priority 1: Everyone Belongs

- We make sure **everyone feels included**.
- Children with extra needs get the right help.
- We are kind and treat each other fairly.

Priority 2: Better Writing 🖍️

- We practise our handwriting, spelling and sentences.
- We "have a go" and don't give up.
- We try to make our writing the best it can be.



Priority 3: Talking and Listening 🗣️ 👂

- We take turns to **listen carefully** and **speak clearly**.
- We share our ideas in class and in groups.
- We learn to explain our thinking and respect others' opinions.

Priority 4: Play and Behaviour 🎲 🤸

- We enjoy fun and safe playtimes.
- We use kind words and play together nicely.
- We learn to solve problems and look after our friends.

This is our Child SIP – it shows what we are all working on together this year to make our school the best it can be!
