Statement of Intent

The Governing Body / Trustees of Butler's Hill Infant and Nursery School will meet their responsibilities under the Health and Safety at Work Act and other health and safety legislation to provide safe and healthy working conditions for employees, and ensure their work does not adversely affect the health and safety of others (including; pupils, visitors, contractors etc.). Details of how this will be achieved are given in this health and safety statement.

The Governing Body / Trustees will ensure that effective consultation takes place with all employees on health and safety matters and that individuals are consulted before allocating particular health and safety functions to them.

Where necessary the Governing Body / Trustees will seek specialist advice to determine the risks to health and safety in the school and the precautions required to deal with them.

The Governing Body / Trustees will provide sufficient information and training in health and safety matters to all employees in respect to the risk of their health and safety.

The Governing Body / Trustees requires the support of all staff to enable the maintenance of high standards of health and safety in the schools activities.

The school is committed to continually improving its health and safety performance.

This statement includes a description of the organisation of the school and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are outlined in the arrangements section.
