What We've Learned

Year 2 Step Back in Time to the Great Fire of London! 🔥

Year 2 had a fantastic morning welcoming Tom from Partake Theatre, who brought our learning about the Great Fire of London to life! The children travelled back to 1666, dressing up as Londoners and re-enacting scenes from this famous historical event. We learnt all about Samuel Pepys and his important diary, discovered how the fire spread so quickly and even had a go at putting out the flames using the firefighting methods available at the time! The children showed fantastic enthusiasm, imagination and teamwork as they stepped into the shoes of people living through the Great Fire. What a brilliant, hands-on way to bring our history learning to life!
