What We've Learned

Year 1 – History

Year 1 have been busy becoming historians! The children have enjoyed exploring and comparing old and new toys, identifying similarities and differences and discovering how toys have changed over time. They have also been learning about Scott of the Antarctic and his famous expedition, investigating the different items he would have needed to take with him to survive in the freezing conditions. The children have shown wonderful curiosity, developing their historical vocabulary and understanding of how life in the past differs from life today.

Fundraising!

Children in Need

A huge thank you to all our wonderful children, families and staff for supporting Children in Need! It was lovely to see everyone dressed in spots, yellow and vibrant colours, bringing lots of fun and cheer to our school. Thanks to your generous donations, we raised a fantastic £135 for this very worthwhile charity. Well done, Butler's Hill! 💛
