This week!

This week, we ran two exciting after-school clubs. Magical Maths engaged children with puzzles, games and fun challenges, building confidence and enjoyment in maths. Our F2 Science Club gave children the chance to explore and investigate through hands-on activities, sparking curiosity about the world around them.

Some children enjoyed milkshake friday with mrs Hallam after showing the schools values all week

NEW MAGICAL MATHS CLUB -started for year 2's-still a couple of places-To find out more visit:

<https://magicalmathsclub.com/>

Reminders

Don't forget we have a Bank Holiday on Monday 4th of May and 2 INSET days on the 21st/22nd Of May
