## This week!

Year 2 had a wonderful day learning about Medieval Britain with Steve and Tom from Partake History. The children dressed up as knights, explored medieval toys and took part in an exciting apothecary workshop. The hands-on activities brought history to life and helped the children develop their understanding of this fascinating period.

This is our new wonderful den building area!  
 Please refrain from allowing children to use it during pick up and drop off times  
 thankyou

## Reminders

OPAL Stay and Play next Tuesday–drop your child off and come to the hall
