- 24<sup>th</sup> July–Break up for Summer holidays
- 27<sup>th</sup> July–INSET staff training day

Our milkshake Friday winners today enjoyed milkshake with Mrs Siddons

## This week!

 Ahoy there! Introducing Butler's Busy Boat! 

We are excited to launch our brand-new sand play area as part of our OPAL journey!

Butler's Busy Boat is a wonderful space where children can dig, build, create, imagine and work together. Whether they are sailing the seas, building castles, creating small world adventures or simply enjoying sensory play, the area offers endless opportunities for creativity, communication and problem-solving. Through play, children develop confidence, resilience, teamwork and imagination while having lots of fun outdoors.

Today, the children took part in a lockdown practice as part of our ongoing safeguarding procedures.

We were incredibly proud of how calmly, sensibly and maturely all of the children responded. Staff were very impressed with how well they listened to instructions and followed our safety routines. Practising procedures like this helps us ensure that everyone knows what to do in the unlikely event of an emergency and is an important part of keeping our school community safe.

Well done to all of our children for showing such responsibility and resilience.

## Reminders

Don't forget it is class photos next week!
