News

OPAL

Our children have been enjoying exploring Wood Chip Way, our exciting new OPAL play area. It has been wonderful to see them using their creativity, imagination and problem-solving skills while playing together and having lots of fun!

After school clubs

After school clubs will start next week.

Mondays-Multi Skills

Tuesdays-Archery

Wednesdays-Games.

Please look out for a class dojo message from the office from Wednesday this week to see if your child has secured a place

14th Oct Spooky Disco

15th Oct Gold Book & School closes to all children!

Last week, Year 1 had great

fun designing and making their own boats in DT. They explored different materials, thought carefully about how to make their boats strong and stable, and then put their creations to the test.

The children showed fantastic creativity, problem-solving and teamwork throughout the activity!

Nursery

We enjoyed welcoming our older children back into Nursery. They explored all the areas and following their interests of building tall towers comparing them to each others, we also measured them against our bodies so we could build them taller to reach the top of our heads!
