14TH SEPTEMBER

News

REMINDER!!!!!!

Thursday 17th September is Individual school photos day

National Democracy Day

Tomorrow is National Democracy Day where all classes will be voting for their school council members

OPAL

Our children have been enjoying exploring 'The Tunnel', our exciting new OPAL play area. It has been wonderful to see them using their creativity, imagination and problem-solving skills while playing together and having lots of fun!

F2

Our F2 children have had a lovely first week and are beginning to settle well into their new routines. There have been a few tears at drop-off, which is completely normal, but the children soon settle and enjoy their day. Thank you for your patience and support while everyone gets used to their new school routines. We are very proud of them already!

Forest School Update

Our classes have started exploring our Forest School area this week with their teachers! The children have loved getting outdoors, investigating the natural environment, being creative and learning through hands-on play. We're looking forward to seeing their confidence, independence and curiosity grow as they spend more time in this exciting space. 🍂🪵🌿

September 2026

15th Sept-Democracy Day

17th Sept Individual school photographs
