21ST SEPTEMBER

News

REMINDER!!!!!!

7th October is school photograph day-the date has been changed by the company-thankyou for your understanding!

OPAL

Our children have been enjoying exploring 'Water Zone', our exciting new OPAL play area.

F2

In F2, the children enjoyed making their own gingerbread men. They followed a simple recipe, carefully measuring, mixing and rolling the ingredients before using cutters to create their gingerbread people. This hands-on activity supported early maths, communication and fine motor skills, as well as helping the children learn about following instructions and working safely with food.

Forest School Update

Our classes have started exploring our Forest School area this week with their teachers! The children have loved getting outdoors, investigating the natural environment, being creative and learning through hands-on play. We're looking forward to seeing their confidence, independence and curiosity grow as they spend more time in this exciting space. 🍂🍷🌿

After school clubs

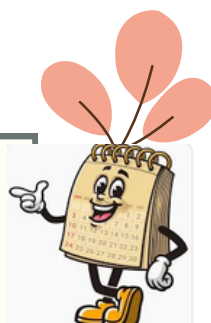

After school clubs will continue this week.

Mondays-Multi Skills/Lego

Tuesdays-Archery

Wednesday-Games.

4pm finish collect from the hall doors at the front of the school

6th & 8th Oct Parents evening

7th Oct Individual school photographs

9th Oct World mental health day

14th Oct Spooky Disco

15th Oct Gold Book & School closes to all children!

November 2026

2nd Nov-children return to school

This week year 2 enjoyed a PE

enrichment session with our PE coach, Miss Young, where they learned how to play golf. The children practised holding the club correctly, aiming carefully and controlling the strength of their shots. It was a fun session that helped develop coordination, accuracy and confidence.
